*At Bitterne Church of England Primary School, we are a welcoming and inclusive community where every child is valued as a unique individual, created and loved by God. Guided by our Christian values of **Hope**, **Courage** and **Creativity**, we work together so that all our pupils flourish - confident in who they are, ambitious in what they can become, and fully prepared for the next stage of their learning.*

We are proud to be a place where everyone is welcome, regardless of faith, background or belief. We passionately strive for every child to succeed - to learn with curiosity, act with kindness, and live with hope - becoming the very best version of themselves."

Together we soar...

Week Number: 2

Date: 11th September 2026

Message from the Senior Leadership Team

What a super start we have had to the new school year! It has been wonderful to see the children return so positively. Classrooms have been calm, focused and purposeful, with lots of time spent practising and embedding the routines that will help everyone to learn successfully throughout the year.

A particularly warm welcome goes to our new Year R children, who have joined us this week and have now completed their very first day at school! It has been lovely to see our Year 6 children supporting the younger children in the hall at lunchtimes, helping them to become familiar with school routines and showing what wonderful role models they can be. We also extend a warm welcome to all of the other children and families who are new to Bitterne this term.

Across the school, children have been reflecting on our Christian Values of Hope, Courage and Creativity. They have identified a hope for the year ahead - something they would like to achieve - and thought about the courage they will need to show and how they can use their creativity, talents and gifts to help them achieve it. These reflections are beginning to appear on displays around the school and are a lovely reminder of the ambitions our children have for themselves.

I have already enjoyed seeing some beautiful work being completed across the curriculum. It has been particularly pleasing to be writing Headteacher Awards so early in the year - a fantastic sign of the high expectations and enthusiasm for learning we are seeing in classrooms.

Homework will begin next week. This year, every child will receive a homework folder to help transport work safely between home and school. Spelling words and number facts will be stuck into children's reading records so that these key basic skills can be practised regularly at home.

Next Friday, teachers will also publish a short video sharing information about the year ahead for their classes. We are trialling this instead of the early-year parent presentations we have traditionally held after school. We know that attending a meeting immediately after the school day can be difficult for many families, so we hope this approach will enable more parents and carers to access the information at a time that works for them.

The school is also looking fantastic! A huge thank you to our PTA and to everyone who has supported their fundraising. Year 5 and Year 6 were very excited to have new tables and chairs delivered at the beginning of this week. Year R, Year 1 and Year 2 have also received new classroom rugs - along with a very excited Mrs M,

who now has one in the music room too! Together with the work staff have put into creating beautiful classrooms and shared spaces, the school feels incredibly welcoming and ready for the year ahead.

We are looking forward to a fantastic term. Please take a look at the diary dates at the end of this newsletter, where we have included key dates for the academic year. We will shortly be adding parent workshops and further opportunities for you to come into school and share in your children's learning. Thank you, as always, for your continued support. Have a lovely weekend!

Headteacher

Collective Worship Reflection

As we begin a new school year, we are focusing on Our Christian value of Hope. We thought about our Old Testament hope story of Daniel in the lion's den, Daniel showed great courage and trust in God when he was thrown into the lions' den. His story reminds us to hold on to hope, even when times are difficult.

In the New Testament, the Easter story brings the ultimate message of hope. Jesus' resurrection shows us that even after times of sadness and difficulty, there can be new life and new beginnings.

As we look to the new year, let us remember: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Jeremiah 29:11

Parent Question of the Week – We'd Love to Hear From You!

This term, we are introducing a new Question of the Week **for** parents and carers. Each week, we will ask just **one** quick question to help us understand your views and experiences of our school. Your feedback is really important to us and will help us celebrate what is working well and identify where we can make improvements.

We would really appreciate as many families as possible taking a moment to respond each week.

This week's question: How well do you feel your child has settled back into school after the summer break?

Please click the link to answer this week's question – it should only take a few moments. Thank you for helping us make our school even better.
