1. Aims of the Pupil Attendance Policy

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [Working together to improve school attendance](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

Part 6 of the [Education Act 1996](#)

Part 3 of the [Education Act 2002](#)

Part 7 of the [Education and Inspections Act 2006](#)

[The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge

 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate

- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Holding the headteacher to account for the implementation of this policy

The link Governor for attendance in school is Sagar Jagatia.

- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance

The designated senior leader is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance

- Advising the headteacher/ designated senior leader (authorised by the headteacher) when to issue fixed-penalty notices

The attendance officer is Amy Davies and can be contacted via adavies@bitterneceprimary.net.

3.5 Class teachers

Class teachers responsible for recording attendance for both morning and afternoon sessions on a daily basis and submitting this information to the school office by 8:50am and 12:50pm.

3.6 School admin/office staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the attendance officer or designated senior leader where appropriate, in order to provide them with more detailed support on attendance
- Code attendance in accordance with the attendance codes in appendix 1

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

Together we soar...

- Make sure their child attends every on time
- Call the school to report their child's absence before 8:45am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 2 emergency contact number for their child, including someone who does not live in the household (for safeguarding purposes)
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the attendance leader (family support officer) or designated senior leader who can be contacted via 02380 499494 / office@bitterneceprimary.net

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Tell us if there are any issues or barriers preventing attendance that we can support them with to ensure good attendance at school

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Absent – unable to attend due to unavoidable reasons

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity

- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8:40am and end at 3:15pm.

Pupils must arrive in school by 8:40am on each school day.

The register for the first session will be taken at 8:40am and will be kept open until 9:10am. The register for the second session will be taken at 12:45pm and will be kept open until 1:15pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:45am or as soon as practically possible, by calling the school office staff, who can be contacted via 02380 499494.

The administrative team should be available from 8am; if, however the line is engaged –parents should leave a concise message on the answer machine ensuring that the child's name, class and reason for absence is clearly stated.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should ask at the school office, or email the school, to request an absence request form for any leave of absence. Proof of appointments will be requested.

Where possible, the pupil should:

- Be out of school for the minimum amount of time necessary, and attend school before/after their appointment
- Wear school uniform to their appointment, to make it easier to return to school afterwards

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Persistent lateness has a debilitating impact on a child's attainment and ability to follow the planned curriculum. Where the school Attendance Officer notifies the Headteacher of any particular patterns of lateness (e.g. Every Friday the child is late) and where there isn't a plausible explanation for this lateness – we will pursue penalty notices as per the guidance.

<https://www.southampton.gov.uk/schools-learning/support-inclusion-education/education-and-school-services/education-welfare/#:~:text=Penalty%20notices%20are%20fines%20of,where%20alternative%20provision%20is%20provided>

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school will carry out a home visit or may contact Social Care at Southampton City Council's CRS (Children's Resource Service) or contact the police (if we cannot contact you or complete a home visit and can see a child is home unsupervised).
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate.

4.6 Reporting to parents

We regularly report the overall school attendance picture in our weekly newsletter. It provides parents and carers with a breakdown of the attendance per year group.

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via a half-termly attendance report and discussing attendance at parent's evening.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview for employment or for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 3 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office.

The headteacher may require evidence to support any request for leave of absence.

5.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- **Illness** (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- **Religious observance** – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance. Pupils should attend on the days surrounding those set apart for religious observance
- **Parent(s) travelling for occupational purposes** – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In

these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place

- **If the pupil is currently suspended or excluded from school** (and no alternative provision has been made)

5.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

- **Weekly newsletter** – outlining the year group, the current attendance percentage as an average of that year group, the difference between current and previous week percentages and the class with the best attendance score.
- **Celebration** – we have a weekly celebration of the best scoring class(es) to ensure that we promote and encourage improving attendance habits.
- **Encouragement on a personal level** – through reward systems.

7. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Attendance Contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

7.2 Education supervision order

In cases where voluntary early help plans and attendance contracts have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but **not** criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

7.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7.4 Penalty notices

The headteacher, local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

8. Supporting pupils who are absent or returning to school

8.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority.

In all cases, our initial approach is to 'understand' the needs of the child and the family situation that sits behind it. Our approach is to ensure that our pastoral support systems reach out and provide the wraparound needed to encourage and improve a child's attendance.

Each case is unique and will be considered dependent on the circumstances presented, however, provision we could offer includes:

- In extreme circumstances this could include a short period of home-school tutoring to prepare and gently navigate a child back into education at our school.

- Reasonable adjustments – to timetabling, school day or plans for teaching. Co-produced with parents and carers and the children.
- Creating an individualised plan – assessment of need and the impact of the child's presenting barriers with a plan to support the pupil moving forward.

8.2 Pupils absent due to mental or physical ill health, SEND or disadvantage

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Our approach is to ensure that the school engages fully and consistently with external agencies supporting the child and family. Where there is a known SEND need, we recognise that children may be subject to appointments with specialist services that are not in the control of a parent/carers. If these appointments regularly prevent the child from studying in a certain subject, reasonable adjustments will be made by the school to alter the timetable to accommodate changes to support the child's learning.

In all circumstances we will communicate openly with parents/carers, provide flexible learning options, offer regular check-ins, designate a dedicated staff member for support, implement reasonable adjustments in the classroom, and work with external services (including social workers / family engagement workers when a child is known to social care) when needed; ensuring a supportive environment where pupils feel comfortable discussing their needs and can access appropriate interventions to manage their health concerns and continue their education effectively.

Parents should consult the NHS guidance [Is my child too ill for school?](#) when deciding whether to keep their child home due to illness. We will share this guidance with parents, and provide support in understanding it, in order to promote school attendance wherever appropriate.

8.3 Pupils returning to school after a lengthy or unavoidable period of absence

When a pupil has been absent for a long period of time for an unavoidable reason (such as serious illness, medical treatment, or other extenuating circumstances), the school will take a supportive and structured approach to ensure their successful reintegration.

The approach will follow six steps throughout the absence and in the plan to return to school:

Early Planning & Communication	As soon as the school becomes aware that a pupil will be absent for an extended period, it will begin planning for reintegration. Maintain contact during the pupil's absence — keeping them informed of school events, classwork, and social activities as appropriate.
Liaison with Local Authority and Health Services	Inform the Local Authority (LA) if a pupil is likely to be absent for more than 15 school days. Provide the LA with relevant information about the pupil's needs, medical condition (if applicable), the work done during the absence and plans for return.
Support and Adjustments	Carry out a meeting with the pupil (and parents/carers) to discuss needs, any barriers to attendance, and agree on a return timetable. Consider phased or part-time return if full-time attendance initially is not possible or in the pupil's best interest. This should be time-limited, regularly reviewed, and tailored to the pupil's health, wellbeing and learning needs.

	Make reasonable adjustments as required — for example due to medical, physical, or mental health reasons. This might include adapting the curriculum, providing catch-up support, adjusting break/lunchtime, offering extra pastoral support.
Continuity of Education During Absence	Wherever possible, ensure that the pupil has access to remote learning or alternative provision during their absence, so that learning continuity is maintained. Make available resources (class work, reading etc.) so that the pupil does not fall irretrievably behind.
Social & Emotional Reintegration	Where appropriate, facilitate continued contact with peers (e.g. through virtual or in-person means) during absence to reduce social isolation. Ensure pastoral or wellbeing support is available as the pupil returns, recognising that returning after a long absence can be stressful.
Monitoring and Review	Once the pupil has returned, monitor attendance, progress, wellbeing, and engagement closely in the initial weeks. Set up regular reviews (with pupil and parents) to check how the reintegration plan is working, and adjust as needed. Identify whether further support is needed, and escalate to external services (e.g. medical professionals, child mental health services, welfare services) if barriers persist.

9. Attendance monitoring at our school

Leaders regularly monitor the attendance of children in the school.

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

In addition, the school has internal systems for specific children including those with or at risk of persistent absence and children we deem vulnerable.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions

- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)
- Conduct and arrange 'Acceptable Attendance Contracts' with parents approaching 10% absence and review with the EWO those who are approaching severe absence.

10. Policy Monitoring Arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the headteacher. At every review, the policy will be approved by the full governing board.

11. Links with other policies

This policy links to the following policies:

- Safeguarding and child protection policy
- Behaviour policy
- Supporting pupils with medical conditions
- Pupil mental health and wellbeing
